Dr. Evgeny Morozov

## Mechanics of Composite Materials and Structures

TWCP HS Zoom • 6:00 – 7:00 p.m.

**Title:** Professor

**Company:** University of New South Wales (UNSW) School of Engineering & Technology – Canberra, Australia

### Biography

Dr. Evgeny Morozov is a full-time professor of Mechanical Engineering at the University of New South Wales, Canberra, Australia. He graduated from the Moscow State Aviation Technological University (MSATU) with a Master Degree of Engineering in 1977; he also holds a Master Degree of Applied Mathematics from the Lomonosov Moscow State University (1984). In 1987, he received his Doctor of Science Degree in Design and Analysis of Composite Aerospace Structural Components from Moscow Aviation Institute. He became a Titled Professor of Aerospace Composite Structures in 1994. Prof. Morozov worked as a Research Associate, Senior Research Associate, Professor at the Moscow State University of Aviation Technology (MSUAT) from 1977 to 1995. He was a Deputy Dean (Research) of the Faculty of Aerospace Composite Structures at MSATU from 1988 to 1994. In 1995 he was a visiting professor at Virginia Polytechnic Institute and State University, USA. From 1995 to 2007 he worked as a full-time Professor and Program Director (2001-2004) at University of Natal, South Africa. In 2000, he was a visiting professor at Brunel University, UK. In 2007, he joined the University of New South Wales as a full-time professor. He has more than 40 years of practical and research experience in the field of composite technology. He co-authored five books and published more than 250 papers on mechanics and analysis of composite materials and structures. He is the recipient of the Donald Julius Groen award by the UK Institution of Mechanical Engineers (2002).
